 The nutrition information on this website is derived from testing conducted in accredited laboratories, published resources, or from information provided from Chicken Express suppliers. The nutrition information is based on standard product formulations and serving sizes.
 All nutrition information is based on average values for ingredients from Chicken Express suppliers throughout the U.S. and is rounded to meet current US FDA NLEA guidelines. Variation in serving sizes, preparation techniques, product testing and sources of supply as well as regional and seasonal differences may affect the nutrition values for each product.
 In addition, product formulations change periodically. You should expect some variation in the nutrient content of the products purchased in our restaurants. None of our products are certified as vegetarian. This information is correct as of October 2010.
